Science			
Science			

2. PRELIMINARY APPLICATION TO JOIN STAGS 6TH FORM – ADVANCED PROGRAMME

The AS LEVEL SUBJECTS which I should like to study are shown below in order of priority. Subjects 1-3 will be studied in years 12 & 13 and subject 4 will be studied in year 12 only.	
	SUBJECT
1.	
2	
3	
4	

Please use the subject name from the course information booklet

I realise that this information will be used to construct the school timetable and that I will be required to make a firm application during the summer term. I realise that it is very important to give accurate information now because it will be used to determine how many courses are run in September.

I would consider the following courses if the above combination is not possible or if the classes are over subscribed or if I fail to meet the entrance requirements of one of my chosen courses.
